Palmeri Media Group does not necessarily support or condone all the information that is presented in this program. Palmeri Media Group reserves the right to limit registration.

Dr. Allen Aptekar, B.Sc., DMD

Dr. Allen Aptekar studied at the University of Toronto, earning his Bachelors of Science degree in Biology. He continued his studies at the University Of Saskatchewan College Of Dentistry where he received his Doctor of Dental Medicine degree with distinction. Dr. Aptekar then went on to complete a hospital residency at Sunnybrook Health Sciences Center and the University of Toronto with a special focus on emergency dentistry and oral surgery. He is a Board Certified diplomate with the American Board of Oral Implantology, a designation that only 400 dentists/surgeons have in the world. He is a diplomate

of the International Congress of Oral Implantology. He is also a Fellow of the American Academy of Implant Dentistry. Dr. Aptekar is the editor in chief of the Journal of Clinical and Practical Oral Implantology. He is part of the teaching faculty of the Misch International Implant Institute Canada. He has authored and co-authored several articles in refereed professional dental journals. Dr. Aptekar is actively involved in lecturing on many dental implant related topics to both dentists and denturists. He practices in the greater Toronto area, where he limits his practice to surgery, with a focus on the surgical and restorative phases of dental implantology and bone augmentation.
